

Arkansas **DAV** tags are issued to veterans who qualify under Act 7 of 1949 or Act 30 of 1979, as certified by the Department of Veterans Affairs.

**Act 7 of 1949:** "...a disabled American veteran who is a citizen and resident of the State of Arkansas and who has been, or might hereafter be, issued a Prosthetic Service Card by the Veterans Administration of the United States and who has been awarded, or might hereafter be awarded, an automobile which is to be owned and operated by the said disabled American veteran, with or without special equipment for amputees, will be provided upon application therefor a State automobile license tag free of charge upon presentation of said veteran of the proof of ownership of an automobile which he is operating or owning as a disabled American veteran and which has initially been furnished him free of charge by the United States Government."

**Act 30 of 1979:** "Any Arkansas resident who is an American veteran, confined to a wheelchair as a result of a non-service connected catastrophic injury, and in receipt of Aid and Attendance by the Veterans Administration, shall be entitled to register his personal motor vehicle and receive a permanent license plate therefore free of charge. "Aid and Attendance" means Veterans Administration benefits paid to veterans who, because of physical disability, cannot take care of themselves and must be assisted by another person. No city or town in this State shall require the payment of any license or fee by such disabled veteran for the privilege of operating such automobile on the streets of such city or town."
